

To All PRO-LIFE Men in New Mexico — Join Us For the 2nd Annual

Men's MARCH For LIFE Father's Day Weekend, 2011

Dear Brothers in Christ,

A very recent Gallup poll cited that 61 percent of American adults think that abortion should be *illegal in all or most* circumstances. While this is encouraging, only 51 percent of MEN said that abortion is morally wrong. It is up to men of high moral character, good Catholic men, to take the lead in turning the tide of the genocide conducted on the children of our own race.

Join us! Last year's march on Father's Day weekend was a great success. We anticipate even more men to come and support the Pro-Life cause by praying and marching peacefully in unison with our brothers in Christ, and our mother, the Holy Catholic Church. Blessed John Paul II cries out to ALL MEN when he said,

"We will stand up every time that human life is threatened. When the sacredness of life before birth is attacked, we will stand up and proclaim that no one ever has the authority to destroy unborn life."
